How to reach CACEIS by Public Transport

Take the Subway U6 (direction Fröttmanning/Garching-Forschungszentrum) and get off at station Freimann. Follow the “MOC”-signs via Harnierplatz into Edmund-Rumpler-Straße. The latter crosses the Lilienthalallee after an estimated 500 meters. To your right, you will already recognize the red and white CACEIS building. After 50 more meters, you will reach the main entrance.

How to reach CACEIS by car

Coming from the north/from the airport/from the east via Autobahn A99 take the Autobahn A9 to Munich. Leave the Autobahn at the exit ramp Freimann. Turn right into Heidemannstraße. At the first crossing after an estimated 300 meters, turn left into Lilienthalallee at the “MOC”. The CACEIS building is located on the left side just behind the “MOC” at number 36.

Coming from the south via the Autobahn A8 or coming from the west, follow the “Mittleren Ring” westwards. Leave the Mittleren Ring at the Olympiazentrum and follow the Landshuter Allee. After an estimated 500 meters, turn right into Moosacher Straße which will merge into Frankfurter Ring. Follow the Frankfurter Ring for an estimated five kilometers and turn left into Lilienthalallee. Follow the Lilienthalallee for about one more kilometer until you spot the red and white building of CACEIS Bank S.A., Germany Branch to your right.

After previous registration (by contacting your CACEIS contact person) we are happy to provide you with an underground parking spot at no charge.
